To enable the Corporation of the City of Vancouver to raise the sum of Two Thousand (\$2,000) dollars for the purpose herein set forth.

WHEREAS two-thirds of the owners of real property on that portion of Cambie street, between Water street and Hastings street, in the City of Vancouver, representing one-half in value of said property, have petitioned this Council to grub and grade that portion of said street; to construct sidewalks, and to plank the centre of said street, and to provide funds for such improvements, to be repaid by a special rate to be levied on the real property immediately benefitted by said improvements, such special rate to be sufficient to include the interest on said funds so provided, and a sinking fund for their repayment in ten (10) years from the date of the debentures hereinafter mentioned.

And whereas, in accordance with the prayer of said petition, enquiries have been made under the provisions of By-Law No. 4, of the City of Vancouver, being a By-Law to provide for the assessment of property benefitted by local improvements, to ascertain what real property will be immediately benefitted by said improvements, and the proportions in which the assessments to defray the costs thereof are to be made on the various portions of real property to be so benefitted.

And whereas the said property to be so benefitted has been ascertained and determined to be lots numbered 8 and 9, in block numbered 4, in the official survey of the townsite of Granville, and lots 8 and 9, in block 5, in said survey; lots 13, 14 and 15, in block 10, in said district lot numbered 541, and lots 10, 11, 12 and 13, in block 11, in said district lot.

And whereas the total amount of the debt which this By-Law is intended to create is two thousand (\$2,000) dollars, and the total amount required to be raised annually, for ten (10) years, is three hundred and twenty-three dollars and seventy-nine cents (\$323.79), and the value of the whole real property rateable under this By-Law, as ascertained and finally determined as aforesaid, is seventeen thousand nine hundred and eighty-three dollars (\$17,983), without improvements, and the annual rate per foot frontage for paying interest and creating a yearly sinking fund for the payment of the principal of the debt, is as set forth in the third section hereof.

And whereas the debt hereby created is made on the security of the special rate settled by this By-Law, and on that security only.

Be it therefore enacted, by the Mayor and Council of the Corporation of Vancouver as follows:—

1. It shall be lawful for the Corporation of the City of Vancouver to raise, or cause to be raised, by way of a loan, from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of debentures hereinafter mentioned, a sum of money not exceeding in the whole two thousand dollars (\$2,000), and cause the same to be paid into the hands of the Treasurer of the City, for the above recited object.

2. That it shall be lawful for the Mayor of the said City to cause twenty (20) or any lesser number of debentures to be issued for the purpose of raising said sum of money, each such debenture to be for at least one hundred (100) dollars, and the said debentures shall be sealed with the seal of the City, and be signed by the Mayor, and countersigned by the Treasurer, and bear interest at the rate of eight per centum per annum from date, payable yearly, on the first day of January, at the office of the City Treasurer, in the City of Vancouver, and shall have coupons attached to them for the payment of such interest, and shall be payable at the Bank of British Columbia, in the City of Vancouver, in ten years from the date of same.

That for the purpose of forming a sinking fund for the repayment of said debentures, and interest at the rate aforesaid to become due thereon, a special rate shall be annually levied upon the property to be immediately benefitted by the improvements above recited, as shown in the following schedule:—
